Enter all scholarships received during the one-year period from April 1, 2025 to March 31, 2026 and submit a copy of the Scholarship Decision Notice (Period of Payment and Amount of Payment).

Example (1) When ○○○ scholarship is paid 50,000 yen, only once a year
Enter 50,000 ÷ 12 = 4166 yen
(2) When △△△ scholarships are paid monthly (12 months) 40,000 yen
Enter 40,000 yen.

Calculate the average of one month from all income (e.g., the 2025 Withholding Record issued by your employer) earned from working during the one-year period from January 1 to December 31, 2025.

In addition, please submit documents that can be used as evidence of income, such as copies of year 2025 tax withholding slips for all places of work. Since it may take some time for the tax withholding slip to be issued, please ask your place of work enough time in advance.

Please make sure that expenses do not exceed income. If expenditures exceed income, you may be asked to resubmit the form.

In the Income column, please separate remittances from your home country and your (spouse's) savings and enter exact values.

When depositing and drawing on a remittance (monetary allowance) from your home country, enter it in the "Remittance (assistance) from home country" column. Enter the amount in this column for grants (e.g., temporary special benefits and loans) provided by the government and universities, excluding scholarships. Example) If you borrow 60,000 yen only once in September. Included as 60,000 ÷ 12 = ¥5000

If your income, confirmation may be requested.
